# Today's Presenter

Andrew DesChenes  
Manager, Tech Support

# Agenda

- We're assuming you've been to Databases for Designers Part I or know the basics
- Example: Building a simple store
- Beyond basic custom item types
  - Fieldsets
  - Related items
  - Related assets
- Q&A – ask question any time

# Access to Our Example

- <http://databases-for-designers-2.webvanta.com>
- Code examples and notes shown on the front-end pages
- A work in progress
- Coming in November: Store SmartTheme
